## 12+3=

### YOUR SUCCESS, <FIRSTNAME>.

You'll get what you need at Culver-Stockton College to excel in your career.

Our distinctive 12-week + 3-week semester calendar means you'll take up to four classes the first 12 weeks and just one class the last 3 weeks. Splitting your semester into two parts makes it easier to manage your courses and engage in more experiential learning while you focus on fewer classes at once.

**This is paying off for our students.**

For the second year in a row, Zippia has ranked us the #1 college or university in Missouri for getting a job, and 96 percent of our graduates are employed or in graduate school within 6 months of graduation.

Let us know you're interested in Culver-Stockton. See how to respond on the following panel.
