**Coordinator Report****Instructions**

This is a report of Michelle's College Student Inventory results. Please give her a thorough explanation of her Student Report. If you agree with the recommendations, gently encourage her to follow them. When possible, try to make the arrangements yourself as a way of reducing motivational barriers. Avoid attempting any psychological counseling if not professionally trained for such work. Above all, be sure to protect the confidentiality of this report. Please see the CSI Advisor's Guide™ for more details.

**Summary Observations\***

Summary scores are expressed on a stanine scale:

1 = very low, 5 = average, 9 = very high

Dropout Proneness	6
Predicted Academic Difficulty	7
