GlobalMeet® Business Communications Platform

Operator Assisted Conferencing

Industry-Leading Event Conferencing

PGi's award-winning, highly trained event experts manage hundreds of high-profile audio events every day for some of the world's largest organizations. From quarterly earnings calls and press events to corporate announcements, rely on PGi's proven expertise to deliver flawlessly executed events over a secure and reliable global audio network.

Operator Assisted Conferencing
High-profile, white-glove managed conference calls

Cloud Telephony & UCaaS

Reimagining Business Communications

GlobalMeet solutions are offered alongside a complimentary unified communications solution that merges voice, video, instant messaging, and collaboration tools into one cloud-based platform. With hosted UC, you'll have immediate access to a sophisticated feature set with no infrastructure to install and maintain.

Unified Communications
Cloud telephony and UCaaS
