

# Students' Steps to Apply for SUPER 20

This flyer walks you through the steps in the application process. It includes suggested timelines to ensure your completed application arrives by the Dec. 15, 2020 deadline.

1

## Thanks for your interest

You've completed the first step in the SUPER 20 application process. The next step is to have your parent or legal guardian complete the Parental Consent Form (attached to this email).

2

## Submit your signed Parental Consent Form

Ideally consent forms should be completed before Dec. 1, 2020 to allow time for the remaining steps in the process to be completed.

Applications must be received by  
**DEC. 15**

3

## Complete the Student Application

Upon receiving your signed Parental Consent form, you will be sent a link to the Student Application. Ideally this step needs to be completed by Dec. 1, 2020 so your counselor, teacher, coach, etc., has time to complete the Recommendation Form.

4

## Get the Recommendation Form completed by a non-related adult

Recommendation Forms need to be completed by a counselor, teacher, coach, etc. This person must submit the recommendation form on your behalf to RNL by the Dec. 15, 2020 deadline.

REMINDER: A completed application consists of the following documents:

- 1. Parental Consent Form
- 2. Student Application
- 3. Recommendation Form

You will be sent an email when your application is complete.
